

## The Angelic Ministry

**W**e may feel the breaths of the Angelic world even whilst we are walking the public thoroughfares. It is possible to walk through the world as it is, and be in the consciousness of the Enshering and Overshadowing Presence. And when you have a quiet hour in your home, the Divine urge in you would have you have more intimate fellowship, and if you in yourself provide the conditions, the Angelic atmosphere will surround you and fill the home. If you cannot see the Angels, you will feel them. If you cannot hear them, and yet would have communication, if you be spiritually open,

the FATHER-MOTHER through His Angelic World will impress upon your mind heavenly thoughts, will give you an urge to know what He purposes, will reveal to you in a flash, some beautiful ministry you may render.

The Angels are real and never very far away from us... In their forms the Angels are very much like ourselves. They have most delicate human bodies, very pure and capable of revealing through them the Mystery of God. Their garments vary according to their Order, for they have Orders of

Service in the Heavens. They never wear black, for they love all the colours of the Rainbow and Spectrum.

Some are in White, others in Ruby, Sardius, Topaz, Emerald, Sapphire, Indigo-Amethyst, and Violet-Amethyst or Heliotrope. But all of them are most radiant, and their robes are of such fine spiritual fabric that they can become translucent and transparent. When they extend some of their Planes, as is the case in special service, they appear to have wings for flight. But they also have the power to use their wings for defence, should such be necessary. And some are given a ministry of protection to children.

We are all rich in gifts, having given to us Angelic potencies and attributes. We are, therefore, capable of becoming Angels in Love, Life and Wisdom, and in serving [GOD, our] FATHER-MOTHER in our degree, even as the angels do.

In the sacred story concerning Angels, different orders are spoken of. There are the Ministers

which are said to be as fire - really radiations.

There are the Angels who minister of His Goodness and His Radiance. There are the Ministers, the Angels, who do the general ministries from the Divine Heavens through the Angelic World to the Earth; and there are Angels who visit Souls. There are Angels who can liberate. There are Angels who can comfort. There are Angels who bear the message of God...

Now, a Human Soul in its Processional may become Angelic. It is meant to rise into that blessed estate. The word Angel means a ministrant. We associate it with the Heavenly places. Yet it has manifest expression on the Earth Planes in many. Can you become an Angel? You are now one potentially. Realistically you are one in the degree in which you Love Divinely and radiate the Light of the Heavenly Wisdom.
